When he is within the small rectangle, the goalkeeper may not be charged but he may be challenged for possession of the ball, and his puck, kick or pass may be blocked. Incidental contact with the goalkeeper while playing the ball is permitted.

- 1.10 For a run-up to a free puck, sideline puck, or puck-out, a player may go outside the boundary lines, but otherwise players shall remain within the field of play.
- 1.11 A player may hold up his hurley or hand(s) to intercept a free puck.

RULE 2 - SET PLAY

- 2.1 The Referee, facing the players, starts the game and restarts it after half-time by throwing in the ball between two players from each team, who shall stand one behind the other in their own defensive sides of the half-way line. All other players shall be in their respective positions behind the 65m lines.
- 2.2 After a foul, play is restarted by a free puck or a throw-in (as specified in Rule) where the foul(s) occurred.

Exceptions

- (i) In the case of fouls by defending players within the large rectangle, the following shall apply:
A Penalty Puck from the centre point of the 20m line shall be awarded for an Aggressive Foul.
A Free Puck from the centre point of the 20m line shall be awarded for a Technical Foul.
(See Rule 2.4)
- (ii) In the case of a foul by a defending player inside his own 20m line but outside the large rectangle, a Free Puck shall be awarded on the 20m line opposite where the foul occurred.
(See Rule 2.4)
- (iii) When a player is fouled immediately after he plays the ball away, and a score results, it shall stand. Otherwise, the referee shall award a free puck from where the foul

occurred or, if more advantageous, from where the ball lands or crosses the sideline.

With the option of a free being awarded from where the foul occurred being retained, the rule shall apply in the following circumstances as outlined:-

- (a) If the ball lands over the endline, a free shall be given on the 20m line opposite the place where the ball crossed the endline;
- (b) If the ball lands inside the opponents' 20m line, a free shall be given from the 20m line at the point where the ball crossed this line.
- (iv) Where otherwise specified in penalties listed in Rule 4 - infractions 14, 15, 16, 17, 18, 19, 27, 28, 29, 30, 33; Rule 5 - infractions 8, 24, 35, 40; Rule 6 - infraction 4.
- (v) When play is restarted by throwing-in the ball after a foul(s) within 13m of the sideline, the throw in shall be given 13m from the sideline and directly infield from where the foul(s) occurred.
- (vi) When play is restarted by throwing in the ball after a foul(s) between the endline and the 20m line, the throw-in shall be given on the 20m line, opposite where the foul(s) occurred, subject to the Provisions stated in (v) above.

2.3 When opposing players foul simultaneously, play is restarted by throwing in the ball.

- 2.4 (a) In general, and save as provided hereunder in this Rule:

In the case of a Free Puck being taken, all players, except the player taking the free puck, shall not be nearer than 20m before the free puck is struck.

In the case of a Throw-In after a foul(s), all players, except those contesting the throw-in, shall not be nearer than 13m before the throw-in is made.

- (b) A Penalty Puck shall be struck either:

(i) At the centre point of the 20m line

or

(ii) At a point within the semi-circular arc, the player taking the Penalty Puck having brought the ball back up to seven metres from the 20m line.

The ball shall be struck on or outside the 20m line but not inside it, except as allowed in Rule 2.5(b).

Only one defending player shall stand on the goal-line, and shall not move towards the 20m line before the ball has been actually struck.

All other players, with the exception of the player taking the puck, shall be outside the 20m line and the arc and shall not cross the 20m line or the arc until the ball has been struck.

If a defending player(s) fouls before the ball is struck and a goal does not result, the

referee shall allow the Penalty Puck to be retaken.

- (c) For a Free Puck for a Technical Foul committed inside the large rectangle and awarded on the centre point of the 20m line, all the provisions of (b) above shall apply except that up to five defending players may stand on the goal-line.

(Note: Central Council has interpreted the words “shall allow” in the final line of Section (b) above, and also applicable in Section (c), to mean that where the referee decides that a defending player(s) has/have fouled before the ball is struck, the Penalty/Free taker has the option of retaking the Penalty/Free puck **or** of having a point scored to stand.)

- (d) The players defending a free puck awarded on the 20m line for a foul committed outside the large rectangle shall stand a minimum of 20m from the point of award of the free and may not move nearer to that point of award until the ball has been struck.

- 2.5 (a) For all free pucks, including penalties, the ball may be struck with the hurley in either of two ways:

- (i) Lift the ball with the hurley at the first attempt and strike it with the hurley.
(ii) Strike the ball on the ground.

‘Lifting’ the ball with the hurley shall not constitute ‘striking’ the ball.

(b) If a player taking a free puck or penalty fails to lift the ball at the first attempt, or fails to strike it with the hurley, he must strike it on the ground without delay.

This shall also be allowed in the case of a Penalty Puck or other Free Puck awarded on the 20m line, even if the initial action causes the ball to marginally cross inside the 20m line.

Only when the player taking the Free Puck or Penalty Puck delays may a player of either side approach nearer than is specified in Rule 2.4 above.

2.6 When the ball is played over the endline by the team attacking that end or after a score, play is restarted by a puck-out from within the small rectangle.

The player taking a puck-out shall take the ball into his hand, but should he miss his stroke, the ball may be struck on the ground or may be raised with and struck with the hurley, but not taken into his hand again before striking it. The player taking the puck-out may strike the ball more than once before another player touches it.

All players shall be outside the 20m line until the ball has been struck except the goalkeeper and the player taking the puck-out - if other than the goalkeeper.

The ball shall travel 13m before being played by another player of the defending team.

2.7 When the ball is played over the endline and outside the goalposts by the team defending that end, a free puck shall be awarded to the opposing team on the 65m line opposite where the ball crossed the endline.

2.8 When a team plays the ball over the sideline, a free puck from the ground shall be awarded to the opposing team at the place where the ball crossed the sideline. If opposing players play the ball simultaneously over the sideline, or if the officials are not sure which team played the ball last, the Referee, facing the players, shall throw in the ball between one player from each team, 13m from the sideline and directly infield from where ball crossed the sideline. A ball that strikes a sideline or corner flag shall be treated as having crossed the sideline. A player on the team awarded a sideline puck shall place the ball on the sideline at the place indicated by the linesman. All players except the player taking the sideline puck, or the two players contesting the throw-in, shall be at least 13m from the ball until it is struck or thrown in.

If a player taking a sideline puck fails to strike the ball at the first attempt, he shall not delay in making a second attempt. Only when the player delays his second attempt to strike the ball may a player from either side approach nearer than 13m.

2.9 If in exceptional circumstances play is stopped by the Referee to enable a seriously injured player to be treated on the field or removed from the field of play, play shall resume in one of the following manners:-

- (i) If a Team is in possession when the play is stopped, the play shall resume with a free puck to that Team from the position at which the play was stopped, unless the play was stopped inside the opponents' 20m line in which case the free shall be awarded from the 20m line opposite the point where the play was stopped. A score may not be made directly from such free.
- (ii) If neither Team is in possession when the play is stopped, a throw-in shall be given at the position where the play was stopped, subject to the provisions in Exceptions (v) and (vi) of Rule 2.2

2.10 If the ball touches any non-player during play, play is restarted by throwing in the ball at the place concerned, but if the ball touches any non-player from a free puck, the free shall be retaken.

Exceptions

- (i) As provided in Rule 3.3(a).
- (ii) If the ball has been prevented from going over a boundary line by a non-player other than the referee, it shall be treated as having crossed the line, and the referee shall make the appropriate award.

RULE 3 - SCORES

3.1 A **goal** is scored when the ball is played over the goal-line between the posts and under the crossbar by either team.

A **point** is scored when the ball is played over the crossbar between the posts by either team.

A goal is equivalent to three points.

The team with the greater final total of points is the winner.

Exceptions

A player on the team attacking a goal and who is in possession of the ball may not score;

(i) by carrying the ball over his opponents' goal-line, or

(ii) with his hand(s).

3.2 A score may be made by striking the ball in flight with the hand(s).

3.3 (a) A score shall be allowed if, in the opinion of the referee, the ball was prevented from crossing the goal-line by anyone other than a player or the referee.

(b) If part of the goal-posts or crossbar is displaced during play, the referee shall award the score which he considers would have resulted had a part not been displaced.

3.4 If a defending player plays the ball through his own scoring space in any manner, this shall count as a score.

3.5 A Score may not be made **directly** from a free puck awarded under Rule 2.9(i).

RULE 2 - SET PLAY

- 2.1 The Referee, facing the players, starts the game and restarts it after half-time, by throwing in the ball between two players from each team, who shall stand one behind the other in their own defensive sides of the half-way line. All other players shall be in their respective positions behind the 45m lines.
- 2.2 After a foul, play is restarted by a free kick or a throw-in (as specified in Rule) where the foul(s) occurred.

EXCEPTIONS

- (i) In the case of fouls by a defending player within the rectangles, the following shall apply:

A penalty kick shall be awarded for an Aggressive Foul within the large rectangle or any foul within the small rectangle. The penalty kick shall be taken from the ground at a point 11m from the centre of the goal-line. A free kick from the centre of the 13m line shall be awarded for a Technical Foul by a defending player within the large rectangle but outside the small rectangle.

- (ii) A free kick awarded for a foul by a defending player inside his own 13m line but outside the large rectangle shall be taken from the 13m line opposite where the foul occurred.

- (iii) When a player is fouled immediately after he plays the ball away and a score results, it shall stand. Otherwise, the referee shall award a free kick from where the foul occurred or, if more advantageous, from where the ball lands or crosses the sideline. With the option of a free being awarded from where the foul occurred being retained, the rule shall apply in the following circumstances as outlined:-
- (a) If the ball lands over the endline, the free kick shall be given on the 13m line opposite the place where the ball crossed the endline;
 - (b) if the ball lands inside the opponents' 13m line, a free kick shall be given from the 13m at the point where the ball crossed this line.
- (iv) Where otherwise specified in penalties listed in Rule 4 - infractions 14, 15, 16, 17, 18, 19, 20, 27, 28, 29,30, 31, 32, 35; Rule 5 - infractions 4, 22, 31, 36; Rule 6 - infraction 4

All players except the player taking the free kick shall be at least 13m from where the free kick is awarded, or, all players except those two contesting the throw-in shall be at least 13m from where the throw-in is awarded.

- 2.3 When opposing players foul simultaneously, play is restarted by throwing in the ball.

All other players, with the exception of the player taking the kick, shall be outside the 20m line and the arc, be at least 13m from the ball, and shall not cross the 20m line or the arc until the ball has been kicked. The goalkeeper may move along his line, but may not advance from the goal-line until the ball has been kicked. If a defending player fouls before the ball is kicked and a goal does not result, the referee shall allow the penalty kick to be retaken.
- (Note:** Central Council has interpreted the words “shall allow” to mean that where the referee decides that a defending player(s) has/have fouled before the ball is kicked, the Penalty taker has the option of retaking the Penalty Kick or having a point scored to stand).
- 2.5 A free kick, other than a penalty kick or a 45m free kick as prescribed in Rule 2.8, may

be taken from the hands or from the ground. A player having indicated his option to the referee shall not be permitted to change his decision. The ball shall be stationary when a free kick is taken from the ground.

If the goalkeeper is not taking the kick-out, he shall stay in the small rectangle, and all other players, except the player taking the kick-out, shall be outside the 20m line and 13m from the ball, until it has been kicked.

The player taking a kick-out may kick the ball more than once before any other player touches it but may not take the ball into his hands.

The ball shall travel not less than 13m and outside the 20m line before being played by another player of the defending team.

- (b) The Player taking the kick-out after the ball goes wide or a score shall have the option of using a standard tee as approved by Central Council.

- 2.8 When the ball is played over the endline and outside the goalposts by the team defending that end, a free kick off the ground shall be awarded to the opposing team on the 45m line opposite where the ball crossed the endline.
- 2.9 When a team plays the ball over the sideline, a free kick from the hand(s) shall be awarded to the opposing team from outside the boundary line from the place where the ball crossed the sideline. If opposing players play the ball simultaneously over the sideline, or if the officials are not sure which team played the ball last, the Referee, facing the players, shall throw in the ball between one player from each team 13m from the sideline and directly infield from where the ball crossed the sideline. A ball that strikes a sideline or corner flag shall be treated as having crossed the sideline. All players except the player taking the sideline kick, or the two players contesting the throw-in, shall be at least 13m from the ball until it has been kicked or thrown in.
- 2.10 If in exceptional circumstances play is stopped by the Referee to enable a seriously injured player to be treated on the field or removed from the field of play, play shall resume in one of the following manners:-
- (i) If a Team is in possession when the play is stopped, the play shall resume with a free kick to that Team from the position at which the play was stopped, unless the play was stopped inside the opponents 13m line

in which case the free shall be awarded from the 13m line opposite the point where the play was stopped. A score may not be made directly from such a free.

- 2.11 If the ball touches any non-player during play, play is restarted by throwing in the ball at the place concerned, but if the ball touches any non-player from a free kick, the free kick shall be retaken.

Exceptions

- (i) As provided in Rule 3.3 (a).
- (ii) If the ball has been prevented from going over a boundary line by a non-player other than the referee, it shall be treated as having crossed the line, and the referee shall make the appropriate award.

- 2.12 **Mark**

When a player catches the ball cleanly from a Kick-Out without it touching the ground, on or past the 45m line nearest the Kick-Out point, he shall be awarded a 'Mark' by the Referee.

The player awarded a 'Mark' shall have the options of (a) Taking a free kick or (b) Playing on immediately.

The following procedures shall apply:

(a) Free Kick

The player shall signify to the Referee if he is availing of the free kick and then take the free kick himself from the hand from the point where he was awarded the 'Mark'.

Once the player indicates he is taking the 'Mark', the Referee shall allow up to five seconds for the player to take the kick. If the player delays longer than five seconds, the Referee shall cancel the 'Mark' and throw in the ball between a player from each side.

Once the player indicates he is taking the 'Mark', the opposing players must retreat 10m to allow the player space to take the kick. If an opposing player deliberately blocks or attempts to block the kick within 10m, or if an opposing player impedes the player while he is taking the kick, the Referee shall penalise the opposing team by bringing the ball forward 13m.

If the Referee determines that the player who makes the 'Mark' has been injured in the process and is unable to take the kick, the Referee shall direct the Player's nearest team mate to take the kick but he may not score directly from the kick.

(b) Play on immediately

- (i) In this circumstance the player may not be challenged for the ball until he carries the ball up to a maximum of four

consecutive steps or holds the ball for no longer than the time needed to take four steps and/or makes one act of kicking, hand-passing, bouncing or toe-tapping the ball.

- (ii) If the Player is illegally challenged, a free kick shall be awarded to his team from the point at which the challenge is made, and this free kick may be taken by any player on his team.)

RULE 3 - SCORES

3.1 A **goal** is scored when the ball is played over the goal-line between the posts and under the crossbar by either team.

When in possession, the ball may be played away with:

(i) a fist

or

(ii) an open hand - in which instance there shall be a definite underhand striking action.

The striking hand shall not be in contact with the ball before delivering the strike.

When both hands are involved, the ball may be struck off a holding hand by the other hand or released from the holding hand and struck with the other hand.

When one hand is involved, the ball may be released from the holding hand and

struck with the same hand.

The releasing of the ball, when used, is considered an integral part of the fisted/open Handpass.

(b) Hurling

The ball shall be released and struck with a definite striking action of a hand. The releasing of the ball is considered an integral part of the handpass.

10. IN FLIGHT

Football: The tackle is a skill by which one or more players may dispossess an opponent or frustrate his objective within the Rules of Fair Play. A tackle is aimed at the ball, not the player. A tackler may use his body to confront the opponent but deliberate bodily contact such as punching, slapping, arm holding, pushing, tripping, jersey pulling or a full frontal charge is forbidden. The only deliberate physical contact allowed is that in the course of a Fair Charge one player only with at least one foot on the ground, makes a shoulder to shoulder charge on the player in possession.
